

DEAR FRIENDS AND BUSINESS PARTNERS,

as the year draws to a close we would like to express once again our continued appreciation for the pleasant and successful collaboration in 2016.

This year we would like to draw your attention to our support of the Anti-poaching unit “Gruppa Bars” and to the effort to protect the Snow Leopard, a rare predatory cat, native to the mountain ranges of Kyrgyzstan. The unit has been operating since its foundation by Naturschutzbund

Deutschland e.V. (NABU) in 1999 and has led to the successful arrest of more than 250 poachers and traders. Their efforts have resulted in a significant reduction in the illegal trading of animals and furs. Our donation will be used to further the professional training of the anti-poaching unit, and in doing so will help to ensure its continued success.

WE WISH YOU AND YOUR FAMILY A VERY MERRY CHRISTMAS AND A HAPPY AND SUCCESSFUL NEW YEAR.
